Dear Parent/Guardian,

Your child has been selected to participate in the Roy W. Brown Middle School Title I Program for the 2021-2022 school year. This is an intervention program designed to meet student needs by providing additional academic supports and resources. Such interventions include enrollment in courses designed to provide additional instructional time for Math and/or Language Arts, access to extended academic day programs, and other supports that are integrated into the school day. Entrance into this program is determined by evaluating multiple criteria, including but not limited to the following: Scoring below the RenLearn STAR assessment benchmark, report card grades, and faculty recommendation.

\_\_\_\_\_ Language Arts Literacy

\_\_\_\_\_ Mathematics

Students will receive services throughout the year as needed. However, exit criteria includes, but is not limited to the following: Scoring a 750 or above on the NJSLA assessments in ELA/Math, obtaining a proficient score on the RenLearn STAR assessment, report card grades and faculty recommendation.

Additionally, we ask that you please take time to view our School-Parent Compact, which outlines the responsibilities of the school, parent, and the students involved in the Title I program. This document is revised each year, and your input is a critical component to your child's academic growth and success. We will be meeting at the conclusion of Open House on **Thursday, September 9, 2021, at 8:00pm** to discuss this document and other components of the Title I program. We hope to see you there!
